

## Aprender los símbolos + e =

$$3 + 2 = 5$$

TRES más DOS es igual a CINCO

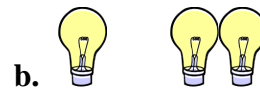

$$1 + 3 = 4$$

UNO más TRES es igual a CUATRO

1. Escribe los números. Suma. Lee las sumas en voz alta usando “más” y “es igual a”.

$$\underline{1} + \underline{3} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$

$$\underline{\quad} + \underline{\quad} = \square$$
